

## **THE PORTRAIT:**

The standard portrait is done in black charcoal artist-grade, lightfast pencil.

- Drawing displays, a SINGLE head + shoulders (no full body or color)
- Unless specified, portraits are done on A4/8.5" x 11" letter-sized paper.
- Paper is finely-textured high-grade white artist 280gr.
- Portraits will come in a protective folder without frame.

Customer will need to provide 2 to 3 photos of the head + shoulders in good quality. You wouldn't want me to have to guess what the subject in the photo looks like ;-)
